

**totally management ltd**

your business is **our** business

## **Best Legal Structure for Charities and the Not-For-Profit Sector**

**Is your organisation a registered charity, a social enterprise or in the voluntary sector? Or are you about to set up such an organisation? Do you know the legal and tax implications of being a charity; a Company Limited by Guarantees or the proposed new Community Interest Companies?**

Attend this training delivered by a solicitor and you will find out about:

- **The different types of legal structure, including companies limited by guarantee, Community Interest Companies and registering a a charity**
- The pros and cons of each legal structure
- **The tax implications for each legal structure**
- The best legal structure to achieve your organisation's aims and objectives
- **Management and ownership**
- Duties and responsibilities of the Management Committees and trustees
- **Setting up your preferred structure – the processes and costs**
- The jargons and what they all mean
- **Where to get further help**
